

Hello,

I am happy to recommend Richard M. of Fisher Link, for anyone looking to purchase an Italian Greyhound. We purchased Perona (previously Bianca), from them and the experience was excellent from beginning to end.

Richard and Michelle treated me with kindness and I could tell right away the puppy was raised with love and attention and great care. They took the time to answer all my questions, share guidance, and make sure I felt comfortable and prepared before bringing Perona home.

Perona is an absolute joy, and has become a part of our family, and is loved by everyone who meets her. She has the sweetest personality and is very playful.

You can tell that Richard and Michelle genuinely love this breed and care deeply about the health and happiness of their puppies. Even after we brought Perona home, they continued to be supportive and available whenever I had questions, or concerns which was so helpful.

I am very happy to recommend Richard and Michelle to anyone looking for a happy and well-loved Italian Greyhound. Our experience has been wonderful, and I could not imagine a better addition to our family!!

Please feel free to contact me if additional information is needed.

Fondly,

Kim Reyes
